

Plan your route and rest stops

Check state and territory border restrictions

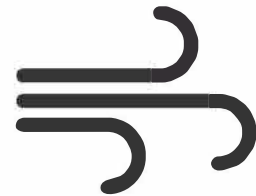

Practice social distancing - , avoid handshakes, use tap & pay instead of cash

Keep work areas clean - steering wheel, dashboard, door handles, fuel bowser

Clean & disinfect frequently used items - mobile phones, keys, wallet

Increase the amount of fresh air - open the window, adjust air conditioning

Cover your coughs and sneezes with your elbow or tissue

Wash your hands regularly, carry and use hand sanitiser if possible

Seek medical assistance if you display any symptoms
